

The News of Carbondale.

THE NEW SCHOOL BOARD.

Joseph Gallagher Elected Secretary and W. B. Evans Treasurer—Director Kirwin's Absence Prevents Election of President—W. W. Copeland Succeeds G. F. Swigert, the Only Retiring Member—Business of Old Board.

The Carbondale school board organized for the present school year last night by electing Joseph Gallagher director from the Fourth ward, the hold-over members as secretary, and W. B. Evans, the successor of H. J. Hockenberry, who was elected for the short term, at the late election, as treasurer.

The absence of Richard Kerwin, the retiring secretary, who following precedent was to be elected president, prevented the election of a permanent presiding officer. In his absence the retiring president, P. F. Hughes, filled the chair.

The only new member on this year's board is W. W. Copeland, who succeeds G. F. Swigert, the retiring treasurer. Mr. Copeland, it will be recalled, was chosen unopposed from the upper district as the successor to Mr. Swigert. His name was also placed on their ballots by the Democrats, from whom he received a flattering complimentary vote.

When the old board adjourned sine die, after disposing of what business was on hand, Retiring President Hughes was nominated by Mr. Vannan to act as temporary chairman. However, before the outgoing board dissolved, Mr. Hughes expressed his gratitude to the members for the respect they showed him during the year, and he asked their indulgence for what to them might have appeared as omissions.

The certificates of election and the oaths of office of Mr. Copeland and Mr. Evans were received and recorded. Mr. Vannan then named Mr. Gallagher as temporary secretary. Later he was elected as permanent secretary. Following precedent, Mr. Hughes named Mr. Kerwin as permanent chairman, but the absence of his certificate of election and oath of office made it necessary to put his election over until the next meeting.

Mr. Copeland seconded by Mr. Vannan, nominated Mr. Evans as treasurer, his election following. The "blinder" for his bond, from the Fidelity company, for \$15,000, was accepted, subject to the approval of the board's attorney.

On motion of Mr. Copeland, Attorney H. C. Butler was elected as the board's solicitor for the coming year, at the same salary.

The board decided to meet as heretofore, on the first Monday of each month. At Mr. Evans' suggestion, it was decided to elect teachers for next year, on Monday evening, July 7, the next meeting of the board. This is a month earlier than last year, in order to give those teachers who might not be chosen an opportunity to make application elsewhere.

The concluded the new board's business. The old board before adjourning disposed of the following business:

Received and filed the applications for positions as teachers from Miss Gertrude Phillips, Susquehanna county; Miss Mabel Evans, Colorado.

Recommended Misses Libbie Burke and Hettie Wilcox for normal school certificate.

Fixed June 24 as the day for the examination of teachers.

Received Superintendent Carr's report for the month, which showed the enrollment of pupils to be 2,413, an increase of 161 over May, 1901.

The report of the auditing committee, Gallagher, Vannan and Evans, was accepted; likewise the report of Treasurer Swigert.

A number of bills were ordered paid.

Crystal Lake Visitors.

The flocking of visitors to Crystal Lake fairly began on Sunday last, when a long procession of conveyances of various kinds made its way with pleasure-seekers to the pretty lake. Among those who were at the lake Sunday were: Mr. and Mrs. Frank Burr, Captain Murphy, Annie Moran, Mildred Moran, A. L. Sahn, Della Moran, John Reese, Annie Madigan, J. McNulty, Mrs. and Mrs. Samuel Williams, Mrs. Edward Gorman, Mr. and Mrs. John Rowan, Mrs. P. Y. Moran, Miss B. Mullady.

Hort Lee's New Home.

Hort A. Lee, whose warm-hearted hospitality so many Carbondalians have partaken of at his hotel in Carbondale, N. Y., will be pleased to hear that his new quarters, recently located at his new quarters, Snyder Centre, N. Y., or Maywood, as the station has been re-christened by the Ontario and Western company, which runs through

SUMMER COMFORT.

Get Ready for Warm Weather.

By a complete change in breakfast, at this time of the year, one can put the body right to go through the summer comfortably.

Leave off meat, potatoes and heavy body heating foods, and use the food that will nourish the body and give reserve force to the brain and nervous system.

A most appetizing and healthful breakfast can be made on Grape-Nuts and cream, some fruit and perhaps two soft boiled eggs—this meal will furnish full strength and nourishment up to the next and has a remarkable effect on the body during hot weather. Remember the calls of the body you are now building will last you into summer, so be sure and build the kind that tend to keep a cool head and level head.

One pound of Grape-Nuts has more nourishment than the system will absorb—than ten pounds of meat, without any of the internal heat of meat that a person wishes to avoid during the warm season; its rich, nutty flavor added to the delicate sweet of the grape sugar makes a dish pleasing to the most critical taste.

You receive Grape-Nuts from the grocer ready to serve, as it has been thoroughly cooked at the factory by food experts, and this saves heat from cooking and time and exertion necessary in preparing ordinary food.

A change from the old breakfast to one like this will refresh and invigorate the system in a surprising manner and permit you to enjoy the pleasures of summer in a cool, comfortable fashion when your neighbors, differently fed, will be "winded."

the pretty town. Hort, who is an ardent lover of nature, has beautiful grounds surrounding his hotel, the Everett house, and he has near him abundantly supplied fishing streams, which he is learning as he did the streams about his other home where he entertained so well the numerous parties which went from Carbondale and this valley during the season.

THE TOWNSHIP BOARD.

School Directors Elect Officers for This Year—Interesting Meeting.

At an interesting meeting, held in the Carbondale school house yesterday afternoon, the school board of Carbondale township reorganized as follows: President, W. J. Gordon; secretary, James Gerrity; treasurer, Thomas Quinn. No other business was considered.

Mr. Gordon enters upon his fifth year as president of the school district.

The result of the election was somewhat of a surprise. Thomas Quinn, the secretary last year, was named as treasurer, to succeed M. J. McDonald, who held the office for twelve years.

James Gerrity's election as secretary was somewhat unexpected, for, as it was believed that President Gordon, the efficient chairman for four years, would be named for that office. A deal or agreement, however, was made over the offices of secretary and treasurer, which resulted in Gerrity and Quinn's election.

The board will meet this morning to fix the millage for this year. There is likely to be an interesting time before this is disposed of.

ALL OUT BUT FOUR.

The Strike Order Obeyed in Carbondale Except by Quartette of Engineers of D. & H. Co.

Only four of the engineers and pumpmen in Carbondale are at work in disregard of the strike order that was made effective yesterday throughout the anthracite region.

The four at work are in the employ of the Delaware and Hudson company, are at No. 1 and one at No. 3 mines.

All of the firemen went out. Their abandonment of work, however, did not interfere with the operation of the pumps. Their places were filled by foremen and other minor bosses.

The shutting down of the Rackett Brook washery, which took place yesterday, contributed several hands to take the place of the men who went out.

The engineers at work are not affiliated with the United Mine Workers. They regard the strike order as imprudent, and they do not see how they could better themselves by leaving their places at the present time.

There was not only no trouble at any of the places but there was not even the thought of any disturbance or interference. In this respect Carbondale is perhaps giving the officials the best worry. They have shown this by not maintaining any kind of a barricade, means of resistance or a patrolling force of any sort. Of course, there are employees acting as coal and iron police, but the Delaware and Hudson company's properties are now surrounded with any lines of fences to keep trespassers off.

CAN TURN ON WATER.

Park Fountain Resolution Passes Select Council—Other Business.

In the park in the public troughs, and in the water troughs, will probably be turned on this week, as the common council resolution directing that this be done was concurred in by select council at its meeting last night.

In response to the appeal of Messrs. Moon, Burnard and Edwards, residents of Eastgate avenue, who appeared before council, it was decided not to change the name of the avenue to "Beth Eden" place, but to have it remain Eastern avenue. The requests for the removal of a tree at the intersection of Wayne street and the opening of the Fifth ward passed first and second readings.

The session was a brief one.

Started on Western Trip.

Druggist Joseph H. Kelly and ex-common councilman John T. Loftus left on the 4:33 Delaware and Hudson train yesterday afternoon on their trip across the continent.

As stated in The Tribune, they will go through the South and the Southwest to California, and after a stay there will return along the northern border to Chicago and thence home.

They will stop in Denver to inspect the place which the Carbondale Electric company proposes to develop for its minerals, etc. They will be absent the greater part of the summer.

Prof. Bryden Resumes His Duties.

Prof. W. D. Bryden, principal of the Carbondale high school, was back at his duties yesterday after an absence of a week, due to an attack of grip, which seriously threatened to develop into pneumonia. While perhaps a rest of a few weeks would be quite advisable for Mr. Bryden, he waived this on account of the urgent need of his presence to dispose of the rush of work, examinations, commencement, etc., incident to the close of school.

Pacer Exchanges Hands.

Abe Sahn has purchased the pacer owned by J. B. Nicholson. Mr. Sahn since will drive in the trotting races, several months ago has been casting about for a horse that might strike his fancy, making several unsuccessful trips to York state on this errand.

Finally Mr. Nicholson's horse was accepted, and Mr. Sahn accordingly values his possession.

A Former Carbondalian.

James E. Brown, a former Carbondalian, returned to his home in Albany, N. Y., yesterday after a pleasant visit with relatives in this city, among them Frank P. Brown, the restaurateur.

Mr. Brown is well located in Albany, being head bookkeeper in the general offices of the Delaware and Hudson company.

Miss Meehan's Promotion.

Miss Mary Meehan, of this city, has been advanced by the Sperry & Hutchinson company from manager of their

local trading stamp agency to the position of collector in Scranton. Miss Meehan's duties will keep her in Scranton daily, though she will return to this city each evening.

In Miss Meehan's promotion a well-merited compliment is paid her ability, at the same time she can justly feel a pride in the advancement, since she was flatteringly chosen from a number of agency representatives of larger experience than she. The announcement of her promotion will be pleasing to her numerous friends.

Miss Helen Meehan, her sister, succeeds her in the management of the Carbondale agency.

AVERT THE STRIKE.

Foreigners Continue to Leave—Business Not Noticeably Depressed.

The exodus of foreign miners from Carbondale and vicinity continues. Scarcely a day passes without a delegation of men leaving the city for one of the railroads leaving the city. The Ontario and Western is getting a big quota of the travelers.

The morning train, north, departing from here at 11:10, usually has a well-filled car. Yesterday the train carried away a good-sized crowd, all heavily laden with baggage.

It is refreshing to hear that as yet there has been no severe depression of business, though the strike has been in progress for several weeks. Some of the leading merchants of the town say that the business for the month of May compares favorably with that of last year.

The business at the hotels has not fallen, as was expected, with the exception of yesterday, when the arrivals were noticeably small.

OBITUARY.

MRS. ELIZABETH NICHOLSON died yesterday forenoon, at the residence, No. 15, Birkett street, after two weeks' illness. Mrs. Nicholson, however, has been in somewhat frail health for a long time.

The deceased, who was the wife of John Nicholson, was born in Cocker-mouth, England, August 13, 1829. She came to Carbondale in her girlhood and has since lived here. Her character was brightened with Christian virtues and she shed a gentle influence among the friends she claimed. She was a member of Trinity congregation and when her health permitted she was active in church work. Her survivors are her husband, one daughter, Mrs. George Fisher and four sons, James B. Grant, Joseph and John, all of this city.

Alderman Morrison Dangerously Ill.

Alderman William Morrison, of the Third ward, is prostrated with an attack of grip that is causing a good deal of concern to his physician and friends. Influenced, perhaps, by his extraordinary weight, the disease has particularly manifested itself in the heart action, and this is what gives the greatest concern. The legions of friends who will be depressed by this news earnestly hope for a speedy rally in the alderman's condition.

Accidents of a Day.

Oscar Cole suffered a painful injury to his toe yesterday while at the locomotive shops. An equalizer dropped on it.

Arthur Marlor had his little finger smashed while at work in the Delaware and Hudson locomotive shops yesterday.

Meetings of Tonight.

William H. Davies Women's Relief Corps.

Division No. 24, A. O. H.

St. Vincent de Paul.

Mitchell Hose company.

Carbondale Conclave, Heptasophs.

A Birth.

Born—To Mr. and Mrs. Thomas King, of South Church street, a son.

THE PASSING TROOP.

S. A. Donahoe, of Scranton, was a Carbondale visitor on Sunday.

Miss Nellie O'Hara, of Dickson, was a Carbondale visitor on Sunday.

Miss Anna Grier, of Priceburg, was a visitor in Carbondale on Sunday.

Mr. and Mrs. Vandervort, of Peckville, were at the Harrison house yesterday.

Larry Rowison, of Scranton, visited his brother, J. Barry Rowison, at his home on Lincoln avenue yesterday.

Mr. and Mrs. F. C. Hazard, and son, Russell, of Green Ridge, were the guests on Sunday of Miss Nettie Burdick.

Miss Margaret Gilmartin returned to her home in Scranton last evening after being the guest of her aunt, Mrs. William Killen, for several days.

W. L. Clark, local manager for the Lackawanna Valley Electric Light company, and Superintendent Thomas G. Coughlin spent yesterday in Wilkes-Barre.

JERMYN AND MAYFIELD.

The school board held its regular meeting last evening with all members present except Edmunds. A bill of \$129 from S. B. Hills was laid over. The treasurer's report was received and accepted. The business of the old year then being over President Thomas Hunter retired from the board after addressing the members. A number of the directors then expressed their regret at Mr. Hunter leaving. A vote of thanks from the board was tendered to Mr. Hunter. T. L. Dewey's term of secretary expiring, Samuel Waters was elected temporarily and George Blake elected temporarily as chairman. On motion of Mr. Crawford the nominations were made permanent. Mr. Kirkpatrick nominated Mr. Crawford as treasurer. Mr. Crawford being unanimously elected. The treasurer's bond was fixed at \$10,000. Mr. Crawford was also elected to present the diplomas to the graduating class next Friday night. The second Tuesday of each month will be the regular meeting night.

The graduating class of the Mayfield public school was tendered a pleasant reception at the home of Prof. and Mrs. Hunter.

Chronic Diarrhoea.

This disease is generally regarded as incurable, mainly for the reason that the remedies usually employed are ineffectual. That it can be cured, however, has been fully proven in many cases. The following tells of one of them: Mr. T. W. Greathouse, of Prattburg, Ga., says: "I had been suffering from chronic diarrhoea for seven years. Last year I began taking Chamberlain's Colic, Cholera and Diarrhoea Remedy, and it has entirely cured me. I had spent lots of money for doctors' medicine in the run of seven years. If it had not been for this remedy I would have been dead now, and I feel that I can testify to too highly." Sold by All Druggists.

I. H. Kries Thursday evening. Sixteen guests, comprising members of the Quaker club, were present at the graduation exercises, which were in attendance and spent a most enjoyable evening.

Rev. M. D. Fuller attended the funeral of the late Mrs. Peck at Scranton yesterday.

Mrs. Howarth, of Third street, who has been sick at the home of her sister, at Pittston, returned home Saturday much improved in health.

Prof. and Mrs. I. N. Barrett, of Second street, were Scranton visitors Saturday.

Mrs. Mary Osborne and daughter, Willie, of Wilkes-Barre, are the guests of Mr. and Mrs. Thomas Williams, of Third street.

George Harris, of Main street, is confined to his home with illness.

The firemen at the Delaware and Hudson colliery obeyed the strike order yesterday.

The commencement exercises of the Mayfield High school will be conducted in Assembly hall on Tuesday evening, June 10.

Thomas Henry, a well known resident of this borough, died at his home on Fourth street early yesterday morning. Deceased had been suffering from miner's asthma for several years, but his condition was not regarded as serious. He was 62 years of age and was born in Ireland, and came to this country 35 years ago. He is survived by four sons, Peter, John and James, of this borough, and Thomas of Philadelphia. Funeral arrangements will be made later.

ARCHBALD.

The funeral of Thomas, the 1-year-old son of Mr. and Mrs. M. J. Prial, took place Sunday afternoon and was largely attended.

Miss Annie Pender, of Carbondale, spent Sunday with her parents on Main street.

Mrs. William Klees, of Scranton, spent Sunday with relatives in town.

Miss Bessie Calway has returned from a visit with Scranton relatives.

Mrs. J. C. Decker, of Carbondale, is visiting her daughter, Mrs. William Van Doren.

The funeral of the late Patrick Munley took place yesterday. At 10 o'clock the remains were taken to St. Thomas church, where a high mass of requiem was sung. The funeral was very large, many people from out of town attending.

P. F. Brogan was a caller in Forest City, Sunday evening.

Miss Nora Reilly, of Scranton, spent Sunday with her mother, Mrs. T. J. Healey, of Main street.

The funeral of the late John Stirn took place from his home, in Carbondale, yesterday afternoon. A short prayer service was held at the home.

The remains were then taken to the First Presbyterian church, where impressive services were conducted by Rev. Charles Lee. A quietette sang "Sometime We'll Understand," and "My Jesus, as Thou Wilt." The casket was hidden beneath beautiful flowers sent by sorrowing friends. At the conclusion of the services the remains were brought to Archbald for interment. The pallbearers and flower-bearers were from the different societies to which the deceased belonged.

PECKVILLE.

An alarm of fire was turned in shortly before 8 o'clock Sunday evening from Box 26, Barthold corners in Blakely. The cause of the alarm was a small fire in a dwelling owned by George Watts, on Scott street. The Wilson Fire company promptly responded to the alarm, but their services were not needed, as the fire was extinguished with a garden hose before their arrival. The damage was slight. The fire was caused by the electric wires becoming crossed in the building.

Blakely borough council met in regular session last evening.

Dr. J. B. Grover has tendered his resignation as a member of the local board of health.

Zilba Tinklenough and John Jones will leave this morning for Huntington, Pa., where they have secured positions.

The fire alarm is now in working order. The trouble resulting from a crossed wire burned out a relay at the electric plant. A new relay has been put in place and the system is again in service.

The Wilsons were called to Olyphant shortly before 3 o'clock yesterday morning to assist the Olyphant firemen in subduing a fierce blaze in the Sweeney block. The building was a densely populated district, and the Olyphant department took every precaution to prevent the flames spreading. The Wilsons did noble service in assisting the Olyphant fire department.

Mr. and Mrs. William Vandervort returned from their wedding tour last evening, and will reside in a newly furnished home on River street.

Mrs. Kemmer, of Prospect street, has returned from Wind Gap.

Frank Barnes called on Scranton friends yesterday.

P. A. McKell, of Wilkes-Barre, was a business caller in town yesterday.

OLYPHANT.

The school board, at their reorganization last night, elected the following officers for the year: President, John E. Jones, of the hotelman; treasurer, William McManis; the bond of the latter was placed at \$10,000.

The board was unable to agree on the selection of an attorney, and the matter of electing one was deferred till a future meeting. The same corps of teachers and janitors employed last year were again chosen. It was decided to close the schools on Thursday at noon.

The fire in the Sweeney block, a brief notice of which appeared in yesterday's Tribune, was one of the most stubborn blazes the local firemen have had to contend with for some time, but they were equal to the task, and together with the Wilsons, of Peckville, kept the flames confined to the one building. Edward Tiple is probably the heaviest loser. All his household goods were destroyed, principally by water. B. H. Hickey, the hotelman, places his loss at \$1,000. Neither carried any insurance. The building itself was insured partially.

TAYLOR.

Funeral Director J. E. Davis received a call by telephone last yesterday afternoon from Coroner Saltry, requesting him to take charge of the remains of the unidentified foreigner who was drowned at Gravel pond on Thursday night. W. J. Davis left evening for Ransom and took charge of the dead man's remains, which he lay in readiness for burial, at the morgue of Undertaker Davis.

The smallpox patients in this borough are reported improving. No new cases have been discovered.

The Young Men's Christian association have decided to keep their rooms open daily during the strike from 9 a.

THE TIME HAS BEEN EXTENDED

Why Doctor Churchman Byers Extends His Popular \$10 Fee Through the Month of June—This Is Positively Your Last Opportunity to Take Advantage of This Rate—Under No Circumstances Will the Offer Be Extended Beyond June 30th—Understand This Does Not Mean \$10 a Month, But \$10 for a Complete Cure, Medicine Included—No Further Charge Will Be Made.

Just as it was toward the latter part of the free period with which Doctor Byers, his method of treatment, and his purpose were introduced to the people of Scranton; just as it was when the famous Quaker physician found himself utterly unable to care for all who came, so during the concluding days of May it was found utterly impossible for the physician to see all the patients who came to his offices to take advantage of the \$10 offer, and many had to be turned away. There was no time to make any change in the newspaper announcements, or indeed change the published statements at all. All that could be done was to care for as many as possible and notify the others that the offer would be extended from the first of the month. Doctor Byers felt that in giving the \$10 offer for the last two weeks of May, he was giving abundant time to all who desired to test for themselves the power of his skill in curing Chronic Diseases.

The events of the last few days of the month showed him he was mistaken. He therefore sent out notices extending the offer, not for a day or a week, but for the entire month of June. He made the extension cover the entire month, so that there might be no repetition of the scenes of the last few days and the hurrying and confusion incident to them.

The following offer is absolutely final and will not under any circumstances be extended beyond July 1st.

He will guarantee to treat all persons applying at his office before July 1st for the nominal sum of \$10 until cured. That is, \$10 covers the entire cost for a cure, and no further fee will be asked.

He furthermore agrees, that if the person is not entirely cured in a reasonable length of time to refund the amount paid without any quibbling or evasion. It has always been the principle of his life never to keep a fee unless the patient was cured.

Doctor Byers wishes to make it emphatic that this offer expires on the 30th day of this month, and in order to get the benefit of it treatment must be commenced on or before that date. This offer will not be extended.

Diseases Due to Cell Disorganization.

The different tissues of the body are made up of minute cells, and when these cells become diseased, disease is the result. By supplying the proper nutriment to the cells, perfect health can be obtained. All chronic diseases, such as chronic, can be cured by bringing the cells back to their normal condition. The treatment used by Doctor Byers is not a

lopathic or homeopathic. It is a treatment based upon an exact science and cures with the certainty of a fixed law.

FREE X-RAY EXAMINATION.

Doctor Byers never accepts a case unless he knows to a certainty the cause of the trouble, and this can only be determined by a scientific X-Ray examination.

His X-Ray outfit is the most elaborate and complete in this country. By his special Fluoroscopic attachment he is able to examine all parts of the body and find out to an absolute certainty the cause of the patient's affliction. Come and be examined; it is absolutely free. He will not charge you one cent. Come and find out what your trouble is and he will advise you in reference to a cure. It is all free. He asks no compensation.
